LARGE CROWD HEARS OHIO CONGRESSMAN SATURDAY NIGHT

Hon. Charles Kearns and Editor Walter Remley Make Interesting Addresses to Large Audience.

One of the largest crowds gathered in Aberdeen in recent years at a political gathering greeted Congressman Charles C. Kearns on Saturday evening. The committee under the efficient guidance of Mr. Wash Hurd, Township Chairman, had erected a platform in front of the Mineral Well hotel in Market street. This platform was decorated with National colors and pictures of the candidates.

The Maysville Boys' Band played a very delightful concert and so pleased with the music of our band were members of the audience that Manager Russell was asked for several engagements. The Ripley Republican chairman happened to be in the audience and at once asked if he could have the band for a big Republican rally to be held in his town on October 29th.

Editor Walter Remley, of the Georgetown Gazette, made the first address. It was a strong indictment against Woodrow Wilson and the Democratic party and a strong plea for a return to normal conditions by the election of Warren G. Harding and the whole Republican ticket. Editor Remley dealt with the League of Nations in a most intelligent manner and uncovered before his audience Woodrow Wilson's autocratic nature.

Congressman Kearns' address was a strong defense for the action of the Republican Congress and in a most gentle and kindly manner he exposed the ruthless expenditure of money by the Democratic management of affairs during and after the World War. Both addresses were good ones and the large audience hung on every word. Quite a number from Maysville were in the audience.

AUTO OVERTURNS.

A Dodge touring car occupied by four colored people was overturned on the Lexington pike Sunday afternoon near Washington. The occupants were returning from the cornerstones laying at the Mayslick colored school. The machine was driven by George Reed, colored, of Lexington, the owner. Fortunately none of the occupants were badly injured. The car was damaged considerably.

BRIGHT LITTLE BOY DIES ON OPERATING TABLE

Frank Cook Succumbs On Operating Table Following Illness of Measles and Serious Complications.

Frank Cook, bright little son of Mr. and Mrs. J. B. Cook, of Commerce and Third streets, died at Hayswood hospital Saturday evening while undergoing an operation made necessary because of complications arising from a serious case of measles.

The little fellow, most popular among his friends and schoolmates, and older friends as well, was taken ill some several days ago with measles. He was thought to be getting better when physicians discovered that the disease was settling in his throat. All efforts known to medical skill were made to save the boy until on Saturday night, following a conference, the physicians decided an operation was all that could save his life. He was rushed to Hayswood immediately.

Frank was eight years and nine months of age. Besides his parents, he is survived by two sisters and one brother, who are all now confined to their beds with the same disease, and many relatives in Maysville and Mason county.

Funeral was held this afternoon at 2 o'clock at the grave in the Maysville cemetery, being conducted by Rev. John A. Davis of the First Baptist church. The sorely bereaved parents and loves ones have the deep sympathy of the entire community in this most serious loss.

LITTLE INTEREST IS SHOWN IN COUNTY SCHOOL ELECTION

Three Candidates Have Filed Their Papers as Candidates at Election To Be Held In November—No Eight Candidates.

In every county in Kentucky November 2nd will be held an election, designed to revolutionize the rural school system of the state.

On that date the voters of each county will elect a nonpartisan County Board of Education composed of five members from the county at large, who next year will appoint a County School Superintendent.

On account of the national election, however, so far as representatives of the Department of Education have reported, little attention is being paid the school election, and a majority of the people have forgotten that there was to be one.

These trustees, two of whom serve for one year, one for two years, one for three and one for four, are elected on a separate ballot, containing no party devices. They are nominated by petition. The petition must be signed by fifty resident voters and filed with the County Clerk at least fifteen days before the election. That would be on or before October 18.

Only those residing in rural school district are eligible to vote for or to serve as members of the county board. This excludes residents of cities having independent schools and residents of graded school districts. Under the new law the county board will have a wide discretion as a city board in selecting superintendents of county schools, and may employ anyone who is qualified regardless of where he resides in or out of the state. The minimum salary will be \$1,200.

The reformation of the common school system was designed to attain an organization which will lift the rural schools of most counties out of a rut. They are starved by the rural graded school districts in many counties.

While there has been practically no interest in this election in Mason county because of the greater interest in the presidential campaign, there have been up to this time three candidates to file their paper with the County Clerk as required by law. These candidates are Messrs. John Layham, John Claybrook and E. B. Kennard. Several other candidates are expected to enter the fight before the 18th of this month which is the last day for filing papers.

FORMER LOCAL MAN DIES IN OHIO.

Relatives here have been advised of the death at his home in Highland county, Ohio, on Saturday at noon of Mr. Charles Wiggins, a former resident of Maysville. Mr. Wiggins was born and reared in Maysville and has many relatives. The Childs and Rudy families being cousins. COUNTY SCHOOLS IN GOOD CONDITION.

Saturday was pay day for the Mason county schools and a teachers' meeting, the first of the school year, was held at the office of County Superintendent Turnipseed. Reports are to the effect that the schools are starting under most satisfactory and encouraging conditions. A great school year is expected.

CORNERSTONE LAYING ATTRACTS GREAT CROWD.

The laying of the cornerstone of the new colored consolidated school building at Mayslick Sunday afternoon attracted great crowds of colored people from all over this section of the state. The ceremonies were in charge of the local colored Masonic lodge and other Masonic bodies in this section assisted.

GERMANTOWN WINS BRACKEN COUNTY CHAMPIONSHIP.

The baseball championship of Bracken county was won Sunday afternoon at the local baseball park by the Germantown team which defeated the strong Brooksville club by a score ten to four. Both of these Bracken county teams have made a most enviable record during the summer months and Germantown has a right to feel proud of their champion club.

In the absence of Secretary George Kirk from the city the immediate management of the Corn and Tobacco Fair arrangements is in the hands of Mr. James Riley, who with the advertising committee of the fair has made extensive arrangements to put the fair before the public for many miles about.

Already large orders for advertising matter have been placed and just as soon as these cards and banners are received, the committee having this matter in charge proposes to distribute the matter throughout this and adjoining counties.

Work on the official catalogue has been practically completed and these catalogues will also be distributed throughout the whole territory near Maysville. The committee will organize an advertising crew which will carry the matter throughout the section seeing that it is put where it will do the most good.

Other arrangements for the big fair are going forward very satisfactorily and the managing committee or Executive Board is very much pleased with the present outlook.

PROMINENT WOMAN EDUCATOR DIES IN THE SOUTH

Miss Lida E. Gardner, National Organizer of Parent-Teachers Association Dies Suddenly.

Carlisle, Ky., Oct. 11.—Miss Lida E. Gardner, Carlisle, for years a leader in educational work in Kentucky and for the last few years organizer of parent-teacher associations throughout the United States, died suddenly of heart disease Sunday in Charlotte, N. C. She had been touring the South in her organization work.

Miss Gardner was actively associated with school affairs in Kentucky for almost twenty years and at the time of her death was treasurer of the Kentucky Educational Association and a national organizer of parent-teacher associations.

Two notes, one addressed to "My Mother, Mrs. Anna Robinson, 1708 Central avenue, Cincinnati, O." and another to "My wife, Mrs. Mary Smedley, Hamilton, O." were found on a table in his room beside a bottle of poison from which several tablets had been removed.

The note to the mother said: "Goodbye and may God bless you. I can't stand this any longer. Always by a friend to my wife, George."

The note to the wife read: "Goodbye, dear. Good luck to you. I die to free you. I love you well, George."

The notes were written on the back of two photographs, both of the same young woman. The young man registered at the hotel Saturday night as George Smedley, of Maysville, Ky., and presenting a lodging form issued by the army recruiting station. He was to have been sent to an army camp Monday. When a hell boy went to his room Sunday night at 5:55 o'clock, he found the man lying on the bed and heard him cry: "I've taken poison." He was immediately rushed to a hospital.

LAUGHABLE COMEDY
COMING TO THE PASTIME.

"Once a Plumber—" comes to the Pastime Wednesday, October 6, Eddie Lyons and Lee Moran will be seen in the overalls of honest toil. They are two plumbers who are anxious to find a quicker way of getting rich than by plumbing (if such is possible). They think they find it when they are elected president and secretary of a copper mining company. They find that the duties of the president and secretary consist of wearing jazzy sport clothes, drinking lots of gin rickeys, and being vamped by a duo of pleasing experts.

A little later detectives arrive and the plumbers find that another of their duties is to be the goats for the fraudulent promoters of a fake company. Instead of finding a quick way to get in a palace, they find that it is a quick way to get in jail.

"Once a Plumber—" is Lyons and Moran's third big comedy feature for Universal. Like the first one, "Everything But the Truth," it was written by Edgar Franklin. The scenario is by C. B. Hoadley, while Lyons and Moran are their own directors.

The comedy team have four pulsitudinous leading ladies in the electable persons of Lillian Hackett, Edna Mae Wilson, Jane Elliott and Ethel Ritchie. Important comedians are played by George B. Williams, Sidney Deane and Jeff Osborne.

Maysville, Ky.103 YEARS YOUNG;
HE'S FOR HARDING

"If I should live to be another 100 years old I certainly would never vote for a member of the Democratic party for President or any other national office."

So declares "Grandpa" Albert Vogel, 103 years young, of Jeannette, Pa., who cast his first vote in a presidential election for Polk, voted for Abraham Lincoln and has voted the Republican ticket ever since. Next month he will vote for Harding and Coolidge.

"Tell the country I am for Harding and Coolidge and America first," says Mr. Vogel. "I want no Wilson League

Harding's paper. "We found just the sort of a paper a future President might be expected to edit," says Mr. Gabbert, "and the visit to us came nearer to being an editorial conference than a political crusade."

"We found men working for Editor Harding who had been with him for periods varying from 20 to 38 years. We found that Editor Harding follows closely every detail incident to the publication of his paper. He knows what pay the helpers on the floor get, just as he knows the amount he pays his manager. He can handle type like the rest of us, and it would keep my foreman busy to beat him on setting up a stick of 8-point type. He knows how to make up a paper like a veteran and he is just as much at home in the business office looking over the advertising accounts."

OLD AND NEW COX SLOGANS.

Washington. — The following interesting interview with Governor James Cox of Ohio was published in the hotel column of the Washington Post four years ago—viz., on July 29, 1910:

"Ohio is not the only state where the people are shouting the praises of the President for having preserved peace in the United States. Our honor has remained unsullied. The slogan 'He Kept Us Out of War' will be the most effective argument the Democrats can use in the campaign. Americanism has been pre-empted by the President, and every other problem of national

import has been met squarely and satisfactorily."

This tends to show the caliber of Governor Cox. With him it is anything to win, any sort of a catch phrase, slogan or anything to deceive or fool the people.

HARDING TO THE FARMERS.

Senator Harding's speech to the farmers of the country, delivered at the Minnesota State Fair, is commendable not only for the subject matter and the constructive statesmanship which it contains, but for the calm and dignified tone which prevails throughout the entire address. Nothing could more thoroughly impress intelligent people with the differences in the senator and his opponent and their qualifications for the presidency than Senator Harding's comprehensive discussion of the agricultural problems of the nation and the solution which must be applied to them and the political harangue delivered at the same place by Governor Cox.—Sioux City (Ia.) Are You Suspicious of Your Health?

One may not be actually sick, yet feel tired and languid, low-spirited and ambitious, so he can not truthfully say he is in good health. The kidneys work all the time, night and day, and it is no wonder that they become weak, sore or diseased. Nearly everybody suffers from kidney trouble or bladder ailments. Nature gives warning signals by backache, lameness, stiff joints, sore muscles, rheumatic pains, puffiness under the eyes and violent vises.

"If President Harding is as big a success as Editor Harding he will go down in history in the Hall of Fame," writes J. Gabbert of Riverside, Cal., in an article just published in his return from Marion, where he visited

AS TRUE AS GOLD VALUE—
Prices may go up and the buying power of a dollar may go down, but "gold remains true" always.

That about explains the situation with good clothes this fall.

A good suit or overcoat must remain a true value no matter the price.

—It demands so much all wool.

—And a certain standard of styling and tailoring and finishing.

You do not judge a good suit or overcoat by the price of it.

—You judge it by the quality in it, the worthiness of it, the service and satisfaction and wear of it.

Would you rather have us do—offer you a suit deteriorated in value in order to be able to sell it at the old 1914 price of it?

—Or pay what is necessary to maintain the standard of it?

—And offer it to you at the smallest possible price?

Well—there's only one way we serve the public and that is the latter way.

PALE, SALLOW WOMEN

Told How To Acquire The Glow of Health.

Women who are pale, sallow, overworked, no energy and hardly able to drag about, if you could only realize what Vinol, the cod liver and iron strength creator and body builder will do for you we are sure you would not rest until you had tried it.

Miss Phyllis Jones says: "I was run down, pale, nervous, thin and had fainting spells. My doctor prescribed Vinol. I have gained rapidly since taking it and look and feel better in every way."

Vinol enriches the blood with multitudes of healthy red blood corpuscles and what Vinol did for Miss Jones, it will do for every pale, sallow, weak, overworked woman in this vicinity.

OLD OFFENDER IS HEAVILY FINED.

In the city Police Court this afternoon Darnall Emmons, of the county, an old offender, was fined \$50 and costs and ten days in jail on a charge of being drunk. Emmons said he mortored to Ripley yesterday and there purchased ginger upon which he became intoxicated.

Jerry Hamilton, who lives near Germantown, and who came here yesterday to witness the hall club from his town win the Bracken county championship, mixed his drinks too freely and fell into the hands of the police when he became so drunk he could not handle himself. In court this afternoon Hamilton said he drank Hostetters Bitters and Beer, Iron and Wine. He was fined \$10 and costs, it being his first offense.

SIX MONTHS I COULD NOT WORK

Lydia E. Pinkham's Vegetable Compound Made Me Strong and Able to Work—I Recommend It To All My Friends.

Bayonne, N. J.—"I had pains in back and legs so that I could not stand caused by female trouble. I felt so tired all the time, had bad head aches and for six months I could not work. I was treated by a physician and took other remedies but got no relief. A friend told me about Lydia E. Pinkham's Vegetable Compound and it has helped me very much. I am well and strong and now able to do my work. I cannot thank you enough and I recommend your medicine to my friends who are sick."—Mrs. SUSIE SACATANSKY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for over forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

Mr. Kearns declared that as long as he was a member of Congress he would never give his vote to send the American boys to Europe to settle boundary line disputes and such matters.
